

ABOUT COMPANY

Mid Sea Shipping Line is a leading NVOCC and freight forwarder in multimodal transport and logistics, with its head office in Dubai, United Arab Emirates. The company was founded by logistics professionals with 30+ years of experience in the shipping and multimodal industries.

OUR NVOCC & FREIGHT FORWARDING SERVICES:

This is our container line division, with an owned fleet of over 10,000 units, including 20', 40', 40'HC, Dry, Flat Rack, and Open Top containers. We are also operators of RoRo, Break bulk, and container vessels.

Our services operate within the following regions:

CIS

Far-East

Middle-East

Indian subcontinent

We offer weekly vessels from Hamriyah, Dubai to Gulf ports.
